Yard Duty and Supervision Policy

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Langwarrin Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Langwarrin Primary School's grounds are supervised by school staff from 8:40am until 3:35pm. Outside of these hours, school staff will not be available to supervise students. Before school, the back soccer pitch, ninja course, and the dome are not supervised and are deemed out-of-bounds for students.

Parents and carers will be advised through regular reminders in our newsletter that they should not allow their children to attend Langwarrin Primary School outside of these hours. Families will be encouraged to contact Team Kids on 1300 035 000 or refer to their website www.teamkids.com.au for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers

- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

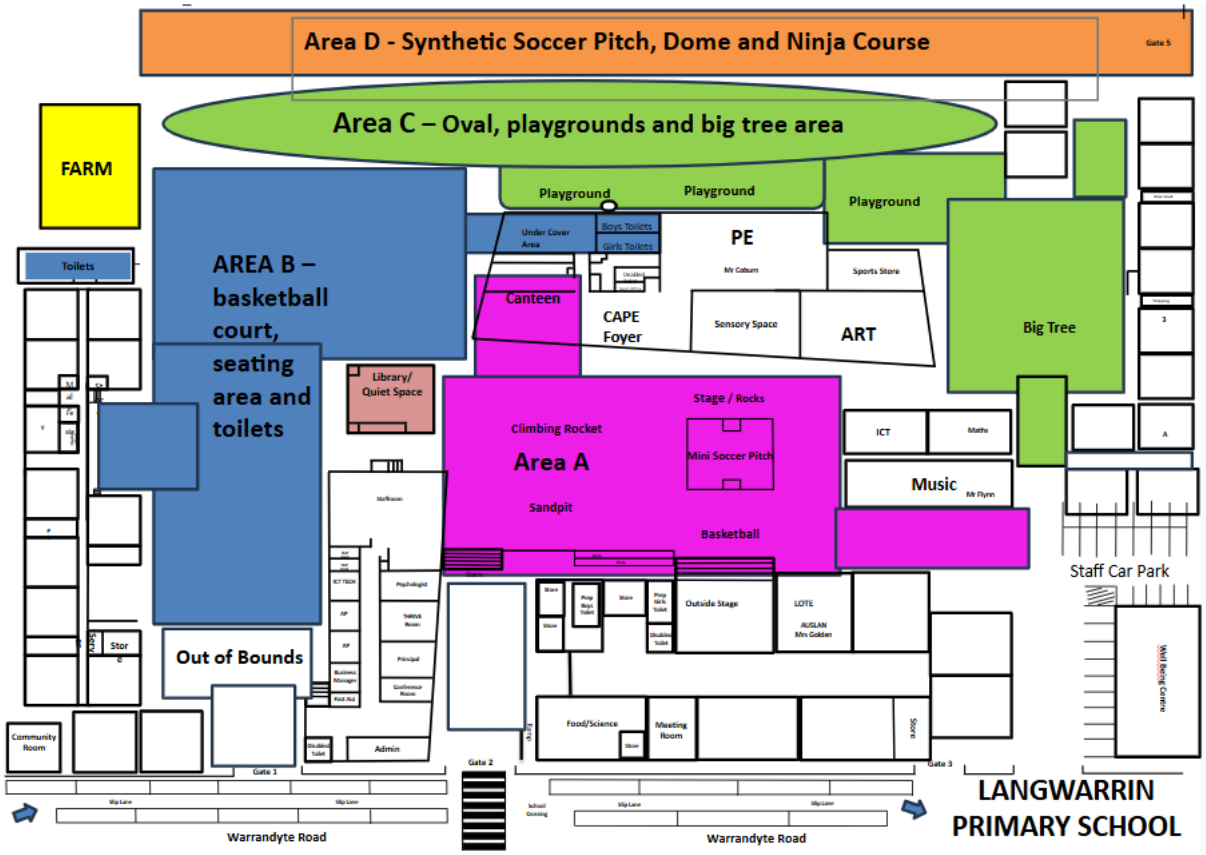
All staff at Langwarrin Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Assistant Principal and/or the Disability Inclusion Leader is responsible for preparing and communicating the yard duty roster on a regular basis. At Langwarrin Primary School, school staff will be designated a specific yard duty area to supervise.

Yard duty zones

The designated yard duty areas for our school (as at Term 3, 2026) are:

Zone	**Area**
A	Undercover basketball, sand pit, rocks, mini soccer pitch, canteen
B	Basketball court/Senior Toilets/ Cape toilets/outdoor seating area
C	Oval, playgrounds, big tree, driveway area
D	Back soccer pitch, Ninja and dome playground
First aid (Office)	Attend to first aid duties on a 'needs' basis. Ensure first aid incident forms / head injury forms (phone calls to parents) are completed as needed. All first aid incidents are entered on Compass.
Quiet Room (Library)	Ensure that students are engaging in a quiet activity such as drawing, colouring or reading.
Farm Duty	Ensure that students are sharing toys, games, equipment etc.



Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Extra safety/hi-vis vests will be stored in the staff room.
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the staff room.
- wear a whistle around their neck.

Yard duty equipment must be returned to the staff room after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor lanyard and have signed in (excluding drop off and collection periods)
- ensure students remain in their designated year level zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard

- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's *Student Wellbeing and Engagement Policy*
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate (i.e., on Yard Duty Slips, on Compass, EduSafe Plus, etc.)

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact a member of the Leadership Team with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact a member of the Leadership Team but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact a neighbouring teacher for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education's Excursions Policy.

Digital devices and virtual classroom

Langwarrin Primary School follows the department's Digital Technologies - Responsible Use policy with respect to supervision of students using digital devices.

Langwarrin Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in a designated area by an adult at all times.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of students in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our school will follow the operations guidance issued by the Department.
